Dorte's Comeback Story

Dorte's life was spent in the saddle.

Until bowel issues kept her from seeing her best friend.

Horseback was replaced by a toilet seat.

Up to 40 times a day.

But with a little help, she got back on the horse.

Literally.

Nynke's Comeback Story

Nynke never liked being surrounded by walls.

So when her bowel issues confined her to the couch, she didn't smile like this.

But suddenly, she found something that cleared the clouds.

And now she's back where she belongs.

Shining like the sun.

Carina's Comeback Story

Carina's bowel issues affected her identity.

Suddenly, she felt like she had to redefine herself.

But now, she doesn't have to redefine anything anymore.

She is not her illness.

She is not her incontinence.

She is... Carina.

Fikrias's Comeback Story

Fikria knows how to pack a punch.

But her bowel issues also taught her what it means to take one.

Right to the gut.

Forcing her to stay in and miss out on life.

But now, she's learning how to fight back.

In more ways than one.

Hero Comeback Story, 90 seconds

Comeback.

Whenever we hear that word, we imagine big stages.

Bright lights, standing ovations.

Truth is, the greatest comebacks often happen where we least expect it.

Like these women, who lost control of their own bowel.

Forcing them to stay in and miss out on life for years.

But, as you can see… here they are.

Doing their thing.

And while the spotlight doesn't look their way, make no mistake.

This right here?

This is what a comeback looks like.
