

An aerial photograph of Amager, a district in Copenhagen, Denmark. The image shows a dense urban landscape with numerous multi-story residential buildings, many with light-colored facades and dark roofs. A large green park area with trees and a winding path is visible in the middle ground. In the background, the city skyline extends towards the horizon under a clear sky. A white text box is overlaid on the upper portion of the image.

**This is Amager.
If you find the right tattoo shop,
you can meet Prince Albert**
