**Making Room  
for Magical  
Experiences**

We are not kidding when we say we're  
changing the future of hospitality.

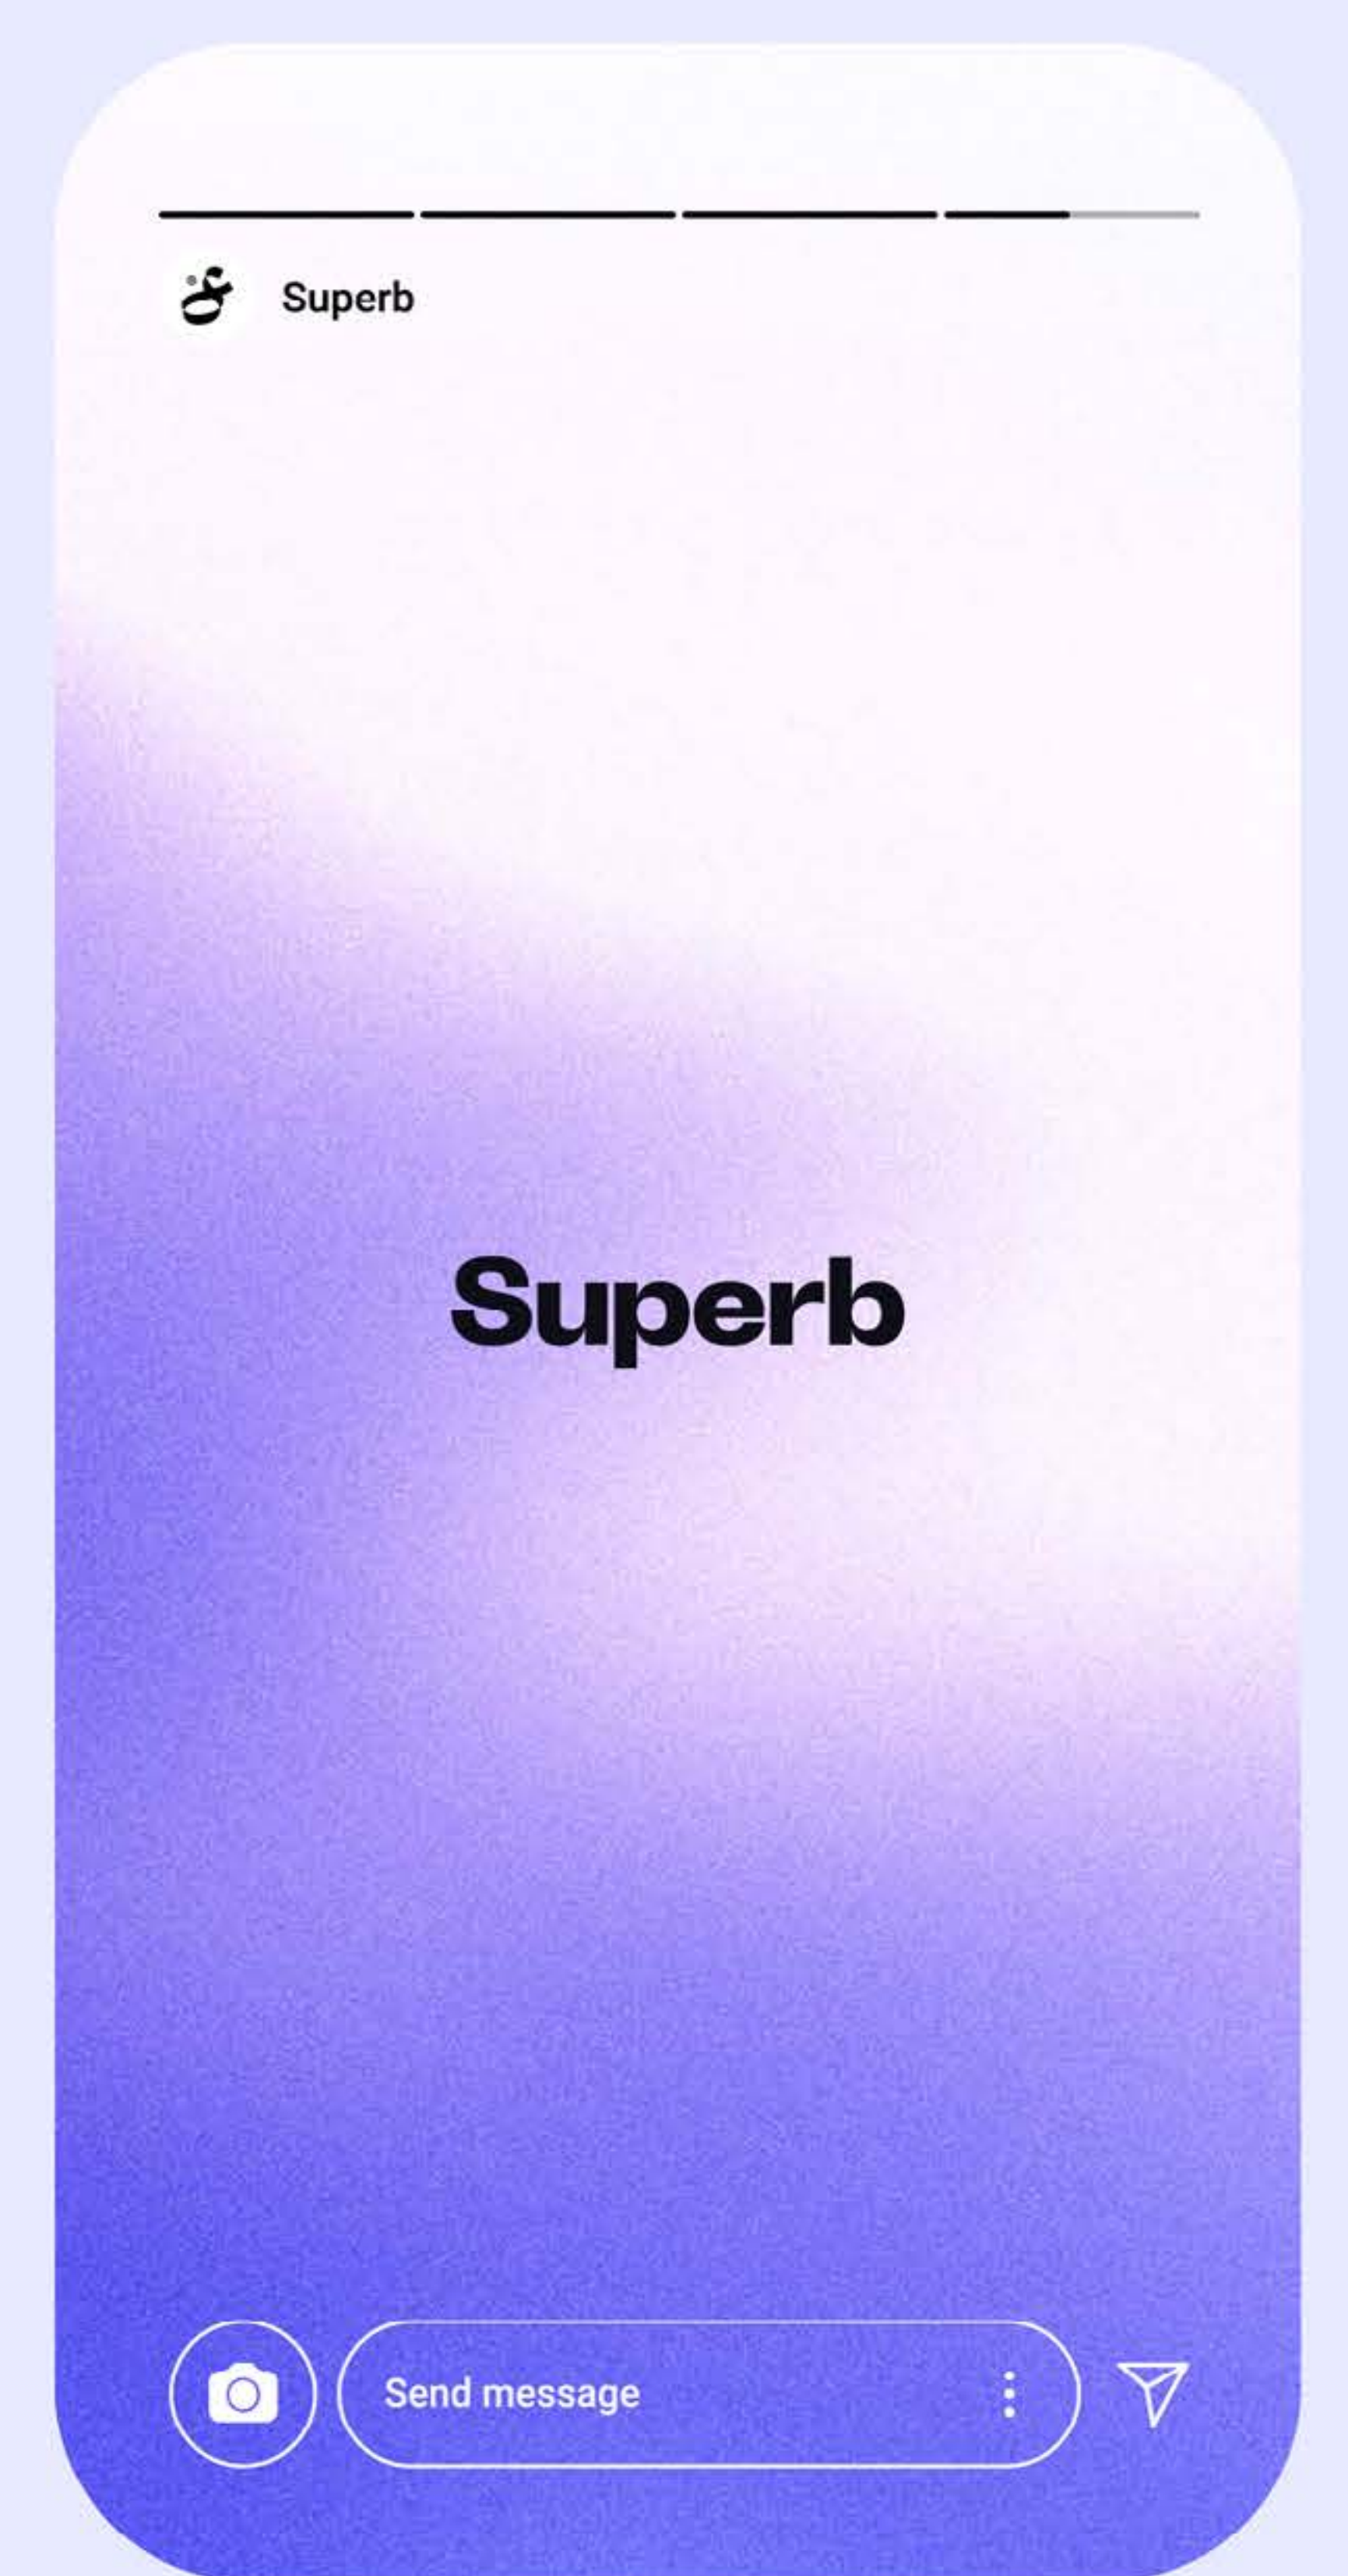

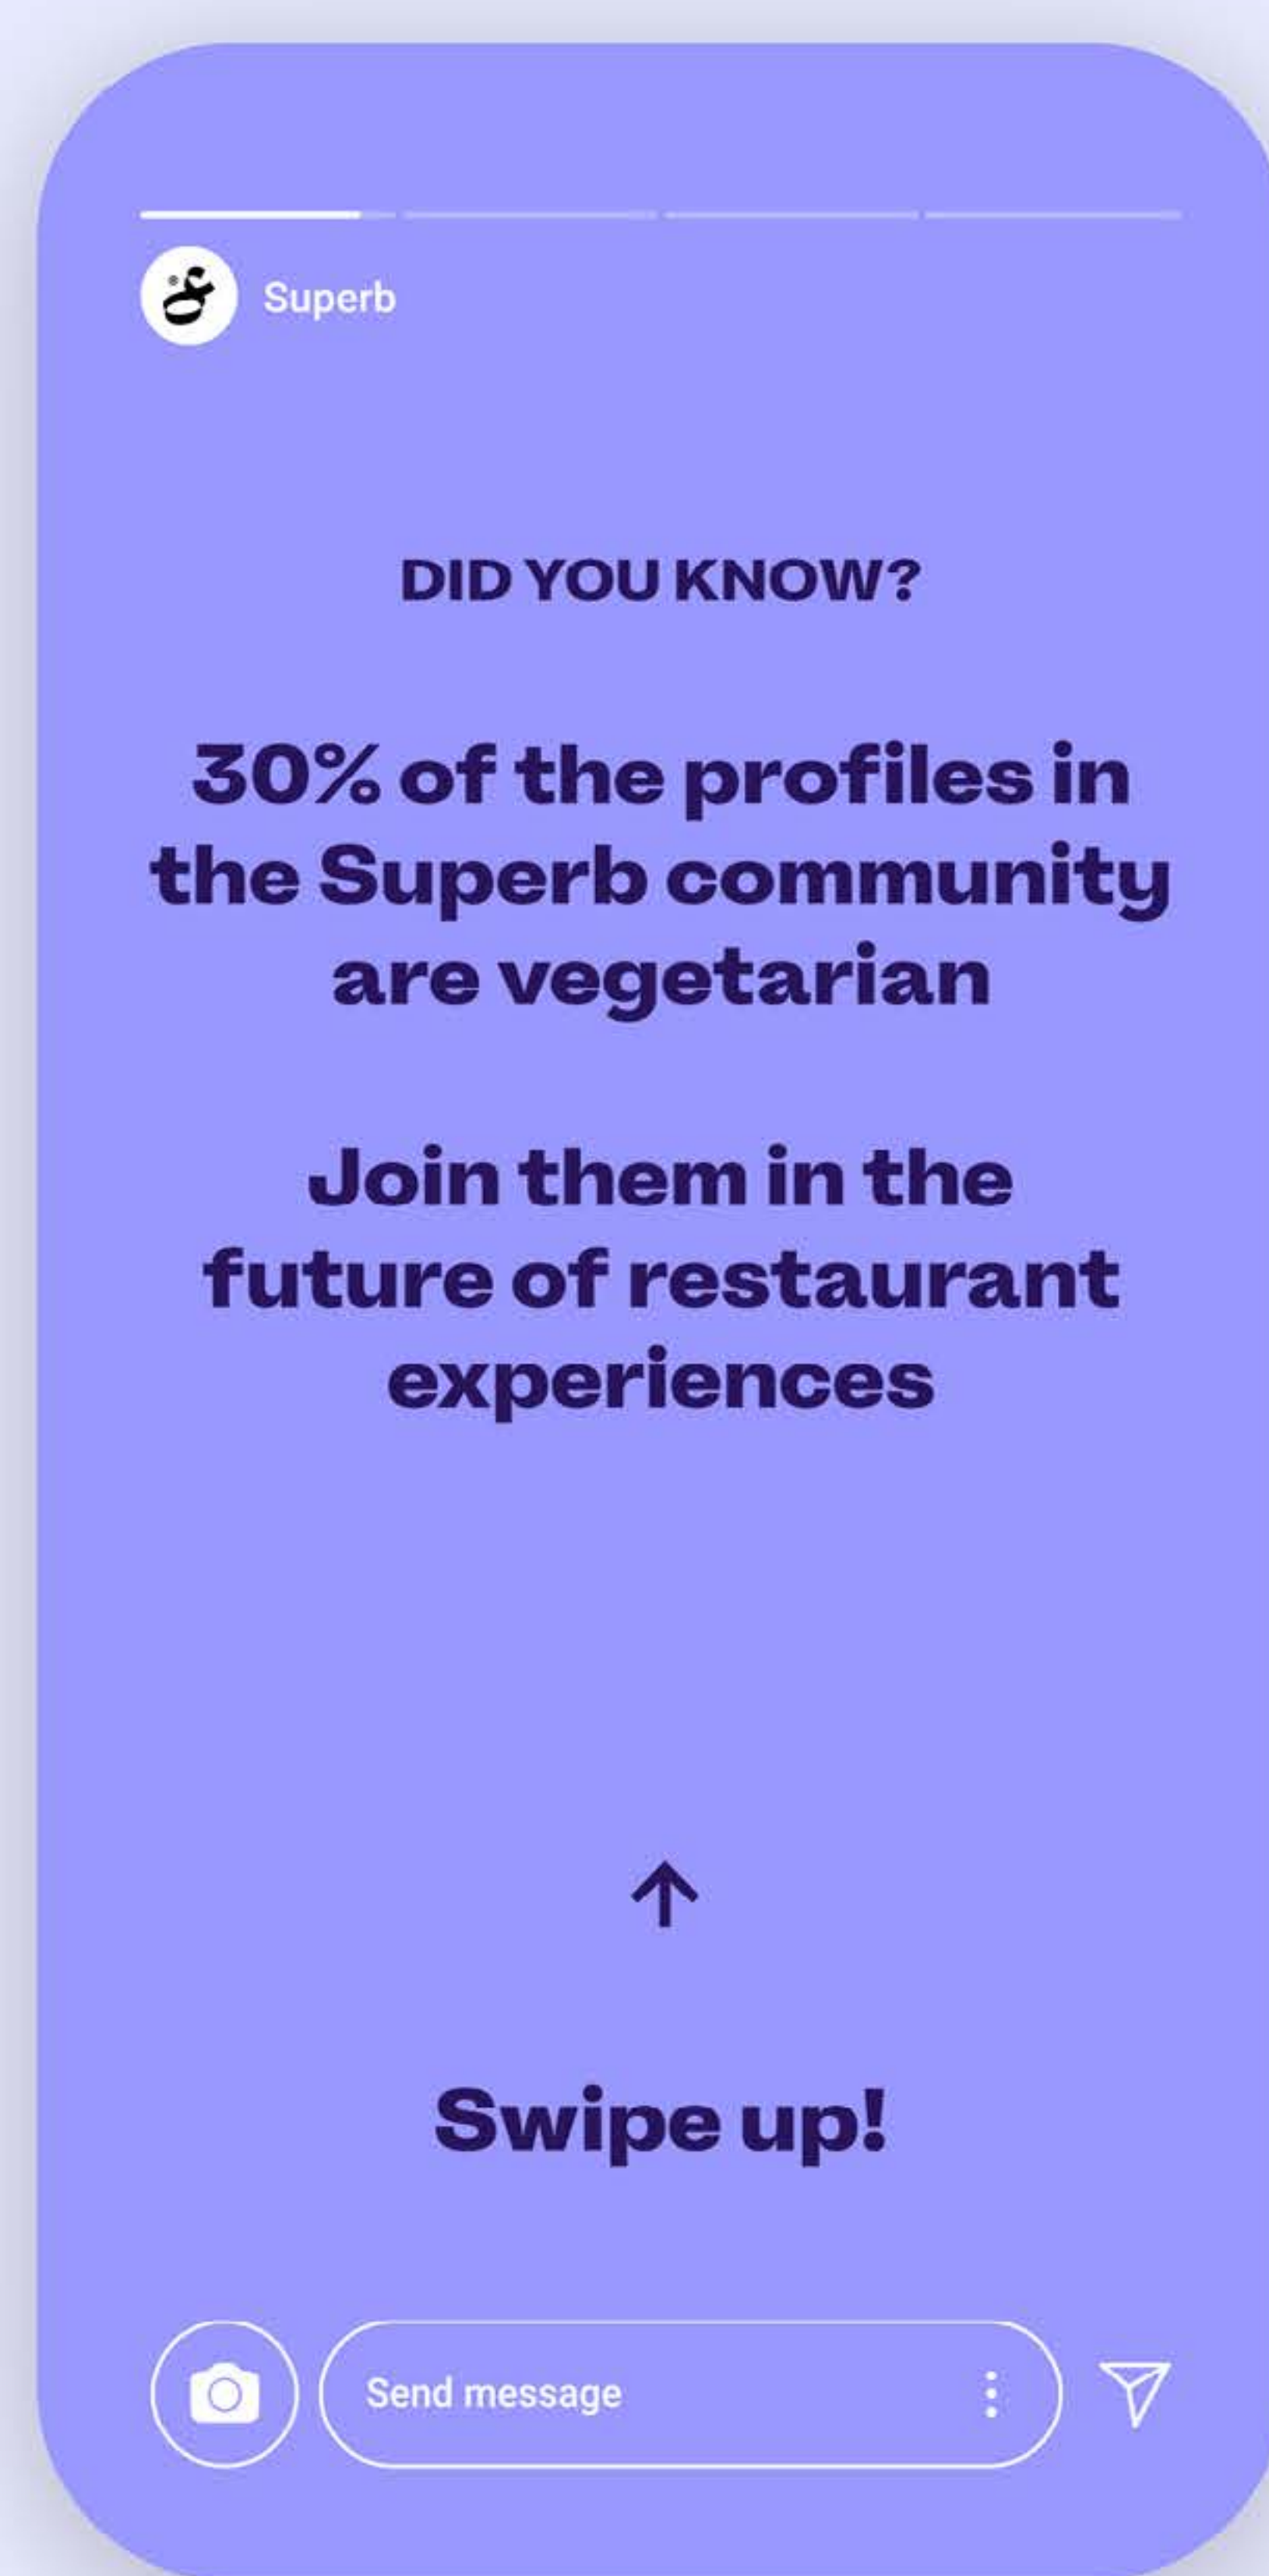

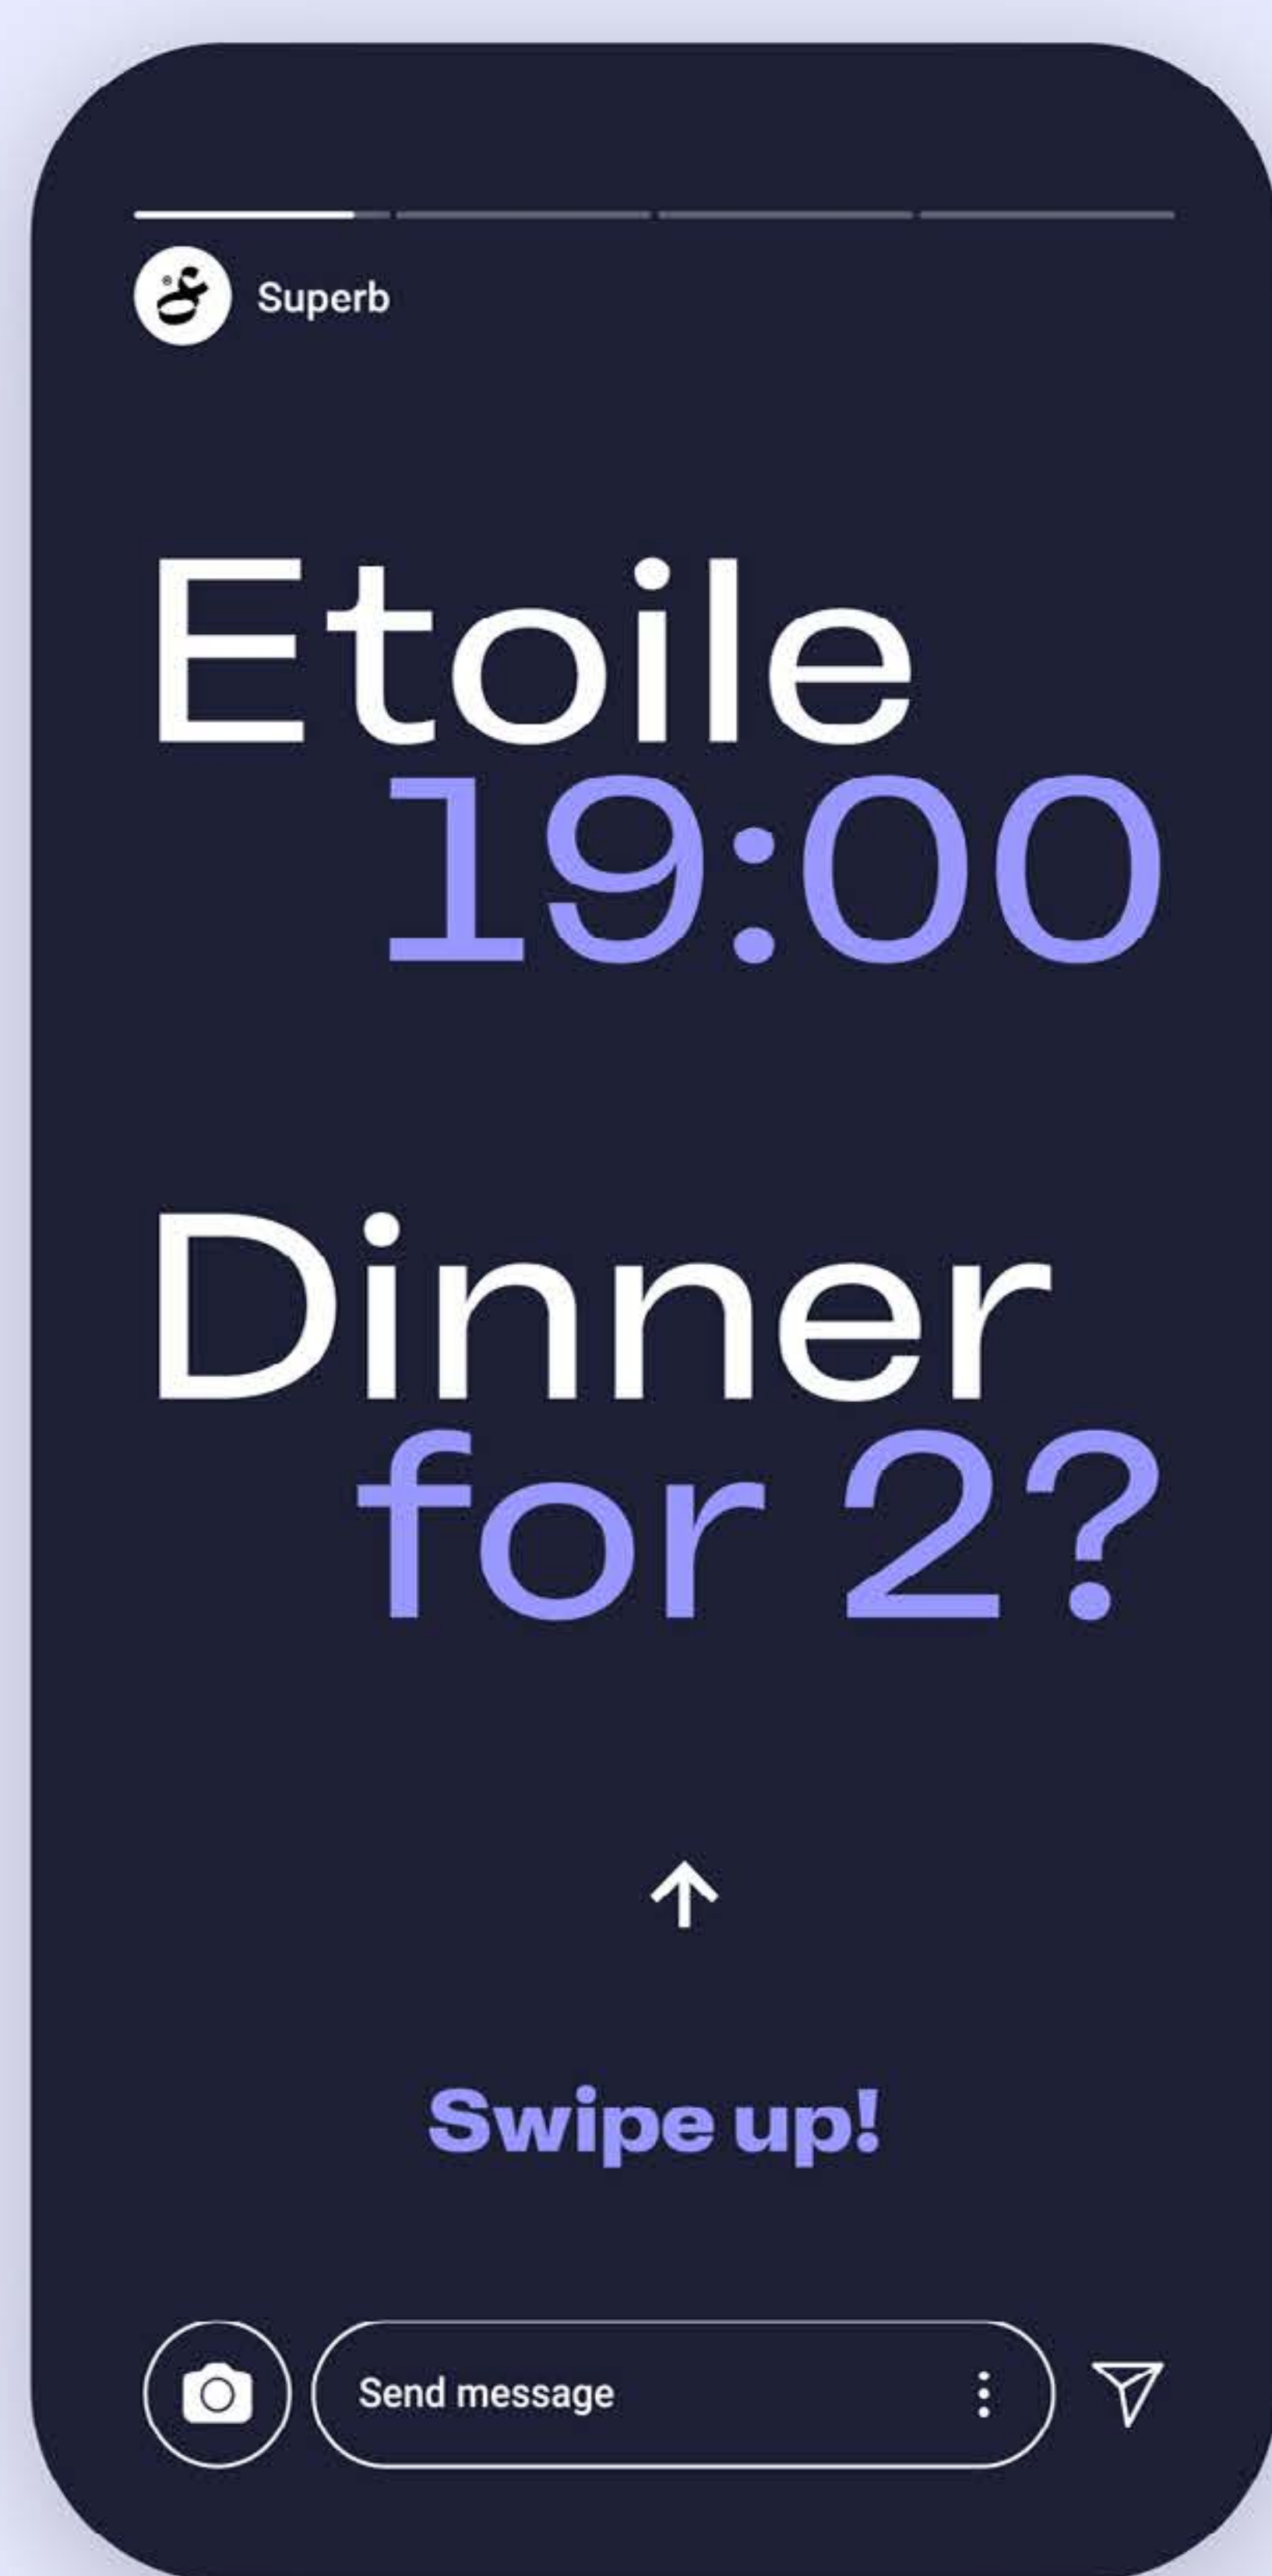

**The Future  
of Guest  
Experiences  
Starts Here**

You evolve – We evolve.  
We're in this together.

**Superb**

**With Guest Experience Management (GXM), the future of your business is predictable and guest data doesn't get lost. Restaurateurs who understand the big picture of their business know that integrated tools give the clearest insights into how well you're**

**JaTak!**
